# Private Swim Lessons at the YMCA of Central Virginia

Private swim lessons are designed to give participants individualized attention in order to improve or master their swimming skills. Instructors, participants and/or parents work together to determine goals for the session. Lessons are then customized in order to meet the established goals.

Private Lessons are available to participants of all ages and can be scheduled any day of the week.

A private lesson consists of a ½ hour one-on-one session with a YMCA certified instructor. Private Lessons are a great way to spend quality time in the pool to either learn the basics of swimming or to perfect your stroke.
